

STATE OF ARIZONA

JANET NAPOLITANO
GOVERNOR

GOVERNOR'S OFFICE FOR CHILDREN, YOUTH AND FAMILIES

IRENE JACOBS
EXECUTIVE DIRECTOR

Dear potential Women's Health Week supporter:

Beginning Mother's Day, May 11, 2008, Arizona will join the nation in a week-long observance of Women's Health Week. While women should think about their health every day, Women's Health Week reminds women that taking care of themselves is essential to living longer, healthier and happier lives. We are seeking your generous support of this effort in the form of in-kind or financial sponsorships.

During Women's Health Week, Governor Napolitano's Office will lead efforts to focus on engaging government, business, and community partners in raising awareness about women's health issues. We will encourage groups across the state to provide health screenings and education to women throughout the week.

At the state capitol on Wednesday, May 14, 2008, The Governor's Office will also host a Women's Health Expo for state employees and other women in the downtown Phoenix area. Last year, approximately 300 women attended this event and we hope to expand the reach this year. The Expo will feature health screenings, health education booths, a lunchtime guest speaker, healthy giveaways, and raffle prizes.

We hope we can count on your support of this great cause. We have provided an outline of the sponsorship categories and our wish list for donations. Of course, any support is greatly appreciated. If you have questions about financial sponsorship categories contact Abby Page, 602.364.0389 apage@az.gov, or Melody Fowler, 602.542.1428 mfowler@az.gov.

Thank you in advance for your support,

A handwritten signature in cursive script that reads "Gina Flores".
